HOW DOES THE PROCESS OF ORDER FULFILLMENT LOOK LIKE?

We picked most important steps of ordering process which will help you to understand it. Find a place where you're right now! Remember that on each step you can contact our customer service!

1 Get inspired by our designs

Here, we would like you to get to know our products and see which of them you find interesting and suitable for your purposes. Visit the gallery, read the information on our blog and learn about the differences between the different prizes. It will make it easier for you to come up with an original idea for a prize. You can always contact our consultant to help you with any questions.

2 Let's talk about your prize

When you are ready, please present your idea by filling in the quotation form. Add all relevant information, photos and designs to help us identify your needs. Together we will discuss your idea, suggest possible better solutions and modifications aimed at achieving the best final effect. Then, in accordance with all arrangements made, we will prepare a quotation.

3 Placing the order

You place an order for the prize discussed in the previous step. After receiving an advance payment of 50% of the entire order amount, we will begin the process of designing and producing the prize.

4 Design and approval of the project

Team of talented graphic designers will prepare a design for you. As a standard, we need 72 hours to prepare a design. After your acceptance we can go to next step.

5 Start production

After accepting the design proof, we will start the production. We will also provide you with the exact production time of your award.

6 Final payment

At this point, we wait for you to pay the remaining 50% of the order amount. We will deliver the products once you make all payments.

7 Awards shipment

We will carefully secure the awards and prepare them for shipment by a courier company. We will inform you about the date of shipment of the goods, and you will receive all the necessary information by e-mail.
